Minutes: The minutes of the 01-27-2015 meeting were approved unanimously. They are posted on ANGEL.

Report from the Officers and Chairs meeting: Nothing was reported.

SCHED to REG (ARSSA): Will be presented to full Senate today.

ARSSA subcommittee to review Articulation Agreements: Will be presented today with several minor changes from Dr. Pangborn.

Annual Report on High School Students Enrolled Nondegree in Credit Courses: There is a declining trend in the number of high school students taking credit courses at Penn State. Demographics, lower funding, and cost are the main drivers. Discussions ensued over whether we want to reverse this trend and why. Motion was made, seconded, and passed unanimously to approve the report.

Transfer Credit Policy 42-82: Discussions centered on the term “typically” and what the motivations are for both approving and adding courses to the Admissions database. This is important to adult learners. Minor modifications were suggested, and the changes were approved by a duly made and seconded motion.

LIONPath Faculty Advisory Committee Report on Prerequisite Checking: We discussed co-requisites and exceptions to prerequisites. Please send feedback to Richard Robinett (rq9@psu.edu), who will put them together and send them to the committee.

Adult Student Admission Policy – 05-80, 05-81, and 05-82: The changes suggested are meant to codify the current exception process for adult learners only. It also aligns our process with Federal guidelines/definitions. Adult learners are defined in another policy. It was suggested that more rationale be added to the Introduction and Rationale. Send feedback directly to Clark Brigger (cvb12@psu.edu). A motion was made and passed to approve the policy changes as presented.

Discussion of C-D grade descriptions on Registrar and DUS Handbook sites: We will discuss this at the next meeting.

Articulation Agreements: Richard Robinett will collect information and forward the Lehigh Carbon Community College agreement to the appropriate organization.

Credit Overload Policy: We will discuss this at the next meeting.

New Business: None

Next Meeting: The next meeting will be Tuesday April 28, 2015 at 08:30A in 112 Shields Building.

Adjournment: The meeting was adjourned at 10:01A.
