Report from the Officers and Chairs meeting:

- The GETF is ongoing
- LionPATH is ongoing

Chair Manning then reviewed the committee’s roles and responsibilities.

Articulation Agreements:

- The Affiliation Agreement between The Behrend College and SUNY Buffalo School of Pharmacy and Pharmaceutical Sciences was approved by a duly made and seconded motion for forwarding to the Office of Undergraduate Education with a copy to the Senate Office.
- The Memo of Agreement Regarding Articulation between University College and the Community College of Beaver County was approved by a duly made and seconded motion for forwarding to the Office of Undergraduate Education with a copy to the Senate Office.

Registration Hold Policy:

- Discussion ensued over whether this should be a policy, procedure or informational report.
- No one believed that any policy exists either academic or administrative.
- The discussions were concerned with undergraduates only.
- Global Programs refers to the University Office of Global Programs (UOGP)
- We will refer this back to David Smith with our discussion comments and defer action until the October 2014 meeting.

New Business:

- How to deal with the process of revisions and/or renewals of Articulation Agreements at the Senate level. For instance, should the committee look at a certain number every year?
- Review of the ARSSA Committee Priority Form
  - Review of existing Articulation agreements
  - International student population increase and its effects
  - Enrolled high school student data
