The Executive Committee may speak on behalf of the University College Faculty Council on items specifically delegated in their charge in the Standing Rules.

Section 2

All University College Faculty Council committees will be available for consultation with the Office of the Vice President for Commonwealth Campuses.

Standing Committees. There are three (3) Standing Committees: Promotion and Tenure Committee, Sabbatical Leave Review Committee, and the Teaching Line Promotion Committee.

Promotion and Tenure (P&T) Review Committee.

1. Membership:

a. Eligible members of the P&T Review Committee include all tenured faculty members and librarians at the rank of associate professor or higher assigned to a University College campus. The Committee has seven tenured faculty members who serve staggered 3-year terms. The terms begin July 1. Members may serve for no more than two consecutive terms. The members of the committee select the Chair at their first meeting.

b. The faculty elects seven members. Nominations are received from all campuses that are not represented by continuing members. There is no limit to the number of permissible nominees from a single campus. There must be at least two nominees for each vacancy on the committee.

c. All nominations received are placed on the ballot, along with the rank, campus, and discipline of each nominee. The ballot instructs the electorate to vote for the number of members that need to be
replaced on the Committee. Electronic voting is open no later than March 1 to all persons having full-time appointments in the tenure system (i.e., those under review for, or holding, academic tenure as defined in Policy HR-23. “IV. General Provisions”). This includes assistant professors, associate professors, professors, assistant librarians, associate librarians, and librarians. The election results must be returned to the Associate Dean for Faculty and Research no later than March 14.

d. The Associate Dean for Faculty and Research assigns nominees having received the highest number of votes to the vacancies on the College Promotion and Tenure Review Committee to meet the following distribution requirements for the Committee as a whole:

i. a minimum of three faculty members with the rank of Professor or Librarian, including continuing members

ii. no more than two members from the same division/department, including continuing members

iii. no more than two members from the same campus, including continuing members

iv. reasonable gender representation, including continuing members

e. In the event that a continuing member has resigned from the committee, in order to guarantee continuity, the Associate Dean for Faculty and Research may designate one or more of the selected members receiving the smaller number of preferential votes to serve a one-year term. In the event that the nominating process failed to produce a viable slate of candidates the Associate Dean for Faculty and Research may select from the faculty at large an appropriate faculty member to fill the committee vacancies.

f. The Associate Dean for Faculty and Research notifies the Faculty Council immediately of the final composition of the College Promotion and Tenure Review Committee. The Faculty Council members forward this information to their campuses so that campus elections and the selection of the two disciplinary representatives to serve on the campus promotion and tenure committee established for each candidate can proceed without duplication of membership.

g. In the event that a newly elected member is unable to serve, the Associate Dean for Faculty and Research fills the vacancy with the person receiving the next highest number of preferential votes in the March election of the same year while taking into account disciplinary, geographical and gender distribution factors.

2. Duties: The University College Promotion and Tenure (P & T) Review Committee evaluates all candidates for promotion and/or tenure according to the criteria described in the University College Statement of Expectations and Criteria for Promotion and Tenure, as approved by the Provost of the University. The Committee’s decision concerning each candidate and the rationale for it is detailed in a letter approved by the Committee and signed by its Chair, with names of all Committee members listed. The letter is added to the candidate’s dossier.

a. The Sabbatical Review Committee consists of five tenured members having senior academic rank. The term of office is three years. Members may serve for no more than two consecutive terms. The terms commence on July 1 and are staggered to provide for continuity. The Chair is chosen by the members at the first meeting.

The letter is sent to the Associate Dean for Faculty and Research who forwards it to the Vice President of Commonwealth Campuses.

Teaching Line Promotion Committee

1. Membership
   a. The University College Teaching Line Promotion Committee consists of at least seven at the second level of promotion or higher. When a third level candidate is being considered, at least three third level faculty should be members of the committee and only those members should review the third level candidate. Furthermore, the candidate for the Teaching Line Promotion Committee may not be currently serving on a campus level promotion committee. The term of office is three years. Members may serve for no more than two consecutive terms. The terms commence on July 1 and are staggered to provide for continuity. The Chair is chosen by the members at the first meeting.
